

AIM TO

AIM AT

1

AIM TO

Emphasizes the intention or purpose behind an action

Example 1:

As a student, I aim to achieve high grades in all my courses this semester.

Example 2:

The government aims to reduce unemployment rates through various job creation programs.

Example 3:

The charity organization aims to provide food and shelter to poor people.

2

AIM AT

**Emphasizes the target or goal
towards which the action is
directed.**

Example 1: The peace talks aim at resolving the long-standing conflict between the two nations.

Example 2: The photographer aimed at capturing the perfect sunset.

Example 3: The child aimed at the dartboard and threw the dart.
